**22/093 Dredging the Village Pond near the Village Hall.**

Due to the specialised nature of the work required the Parish Council were only able to obtain two quotes, as follows: -  
Quote 1.

The cost to remove the silt from your pond will be in the region of £35-£40K. +VAT.

If it's dried mud/silt, then we would have to use a combination unit (a tanker that can both jet high pressure water and suck/remove waste, to get things mobile enough to be able to load).

As a guide:

150 tonnes Large Combi Unit (Jet-Vac tanker) x 9 shifts

Quote 2.

£720.00 per day for digger, tractor and trailer, it will take 4/5 days all plus VAT. So around £5,000.00 inc vat.

Note: The first quote is for the pavilion side pond only. The second quote is for the two halves. Both these quotes were discussed and considered and the Parish Council voted to accept quote number 2 for £5,000.00 inc VAT

Proposed by Cllr. Cooper, seconded by Cllr. Barlow, all in favour, resolution passed.

Also discussed were the overhanging tree/hedge branches which will need to be cut back at a cost of £270.00.

Proposed by Cllr. Cooper, seconded by Cllr. Barlow, all in favour, resolution passed.

**22/094 Telephone Box.**

Equipment has now been reinstalled by BT and a battery unit which will require to be changed by BT every six months at no cost to the Parish Council. The Parish Council decided that this should remain a working telephone box.

It was noted that there is no light in the box.

Proposed by Cllr. Barlow, seconded by Cllr. Cooper, all in favour, resolution passed.
